# Foreign Exchange Students

Left to right: Jade Pungvongsanurak, Sara Kim, Simone Thalmann, Wissanee Wanaratwichit

I have a great time at Fermi High School. This year will be one of the wonderful year in my life. Everybody in this school very nice and kind to me, I'm so impress. I'm glad that I'm an exchange student to USA this year and have an opportunity to joy Fermi. This year is an awesome year! Thank you for everything that I receive from Fermi, I'll don't forget it!

Wissanee Wanaratwichit  
Thailand

I have a very wonderful time at Fermi. Fermi is a place for knowledge and also experience. I will not forget this special year!

Jade Pungvongsanurak  
Thailand

At Fermi I had a wonderful year. It was a great experience to learn in this school. Everyone was very welcoming to me, so I want to say you: Thank you very much for give me the opportunity to have fun. And I had a lot of fun.

Simone Thalmann

# Senior Class Officers

Left to Right: David Ragno, Daniel Szewczyk, Dawn Ezold, Jacqueline Dwyer, Jessica Begnoche, Jenna Hagist

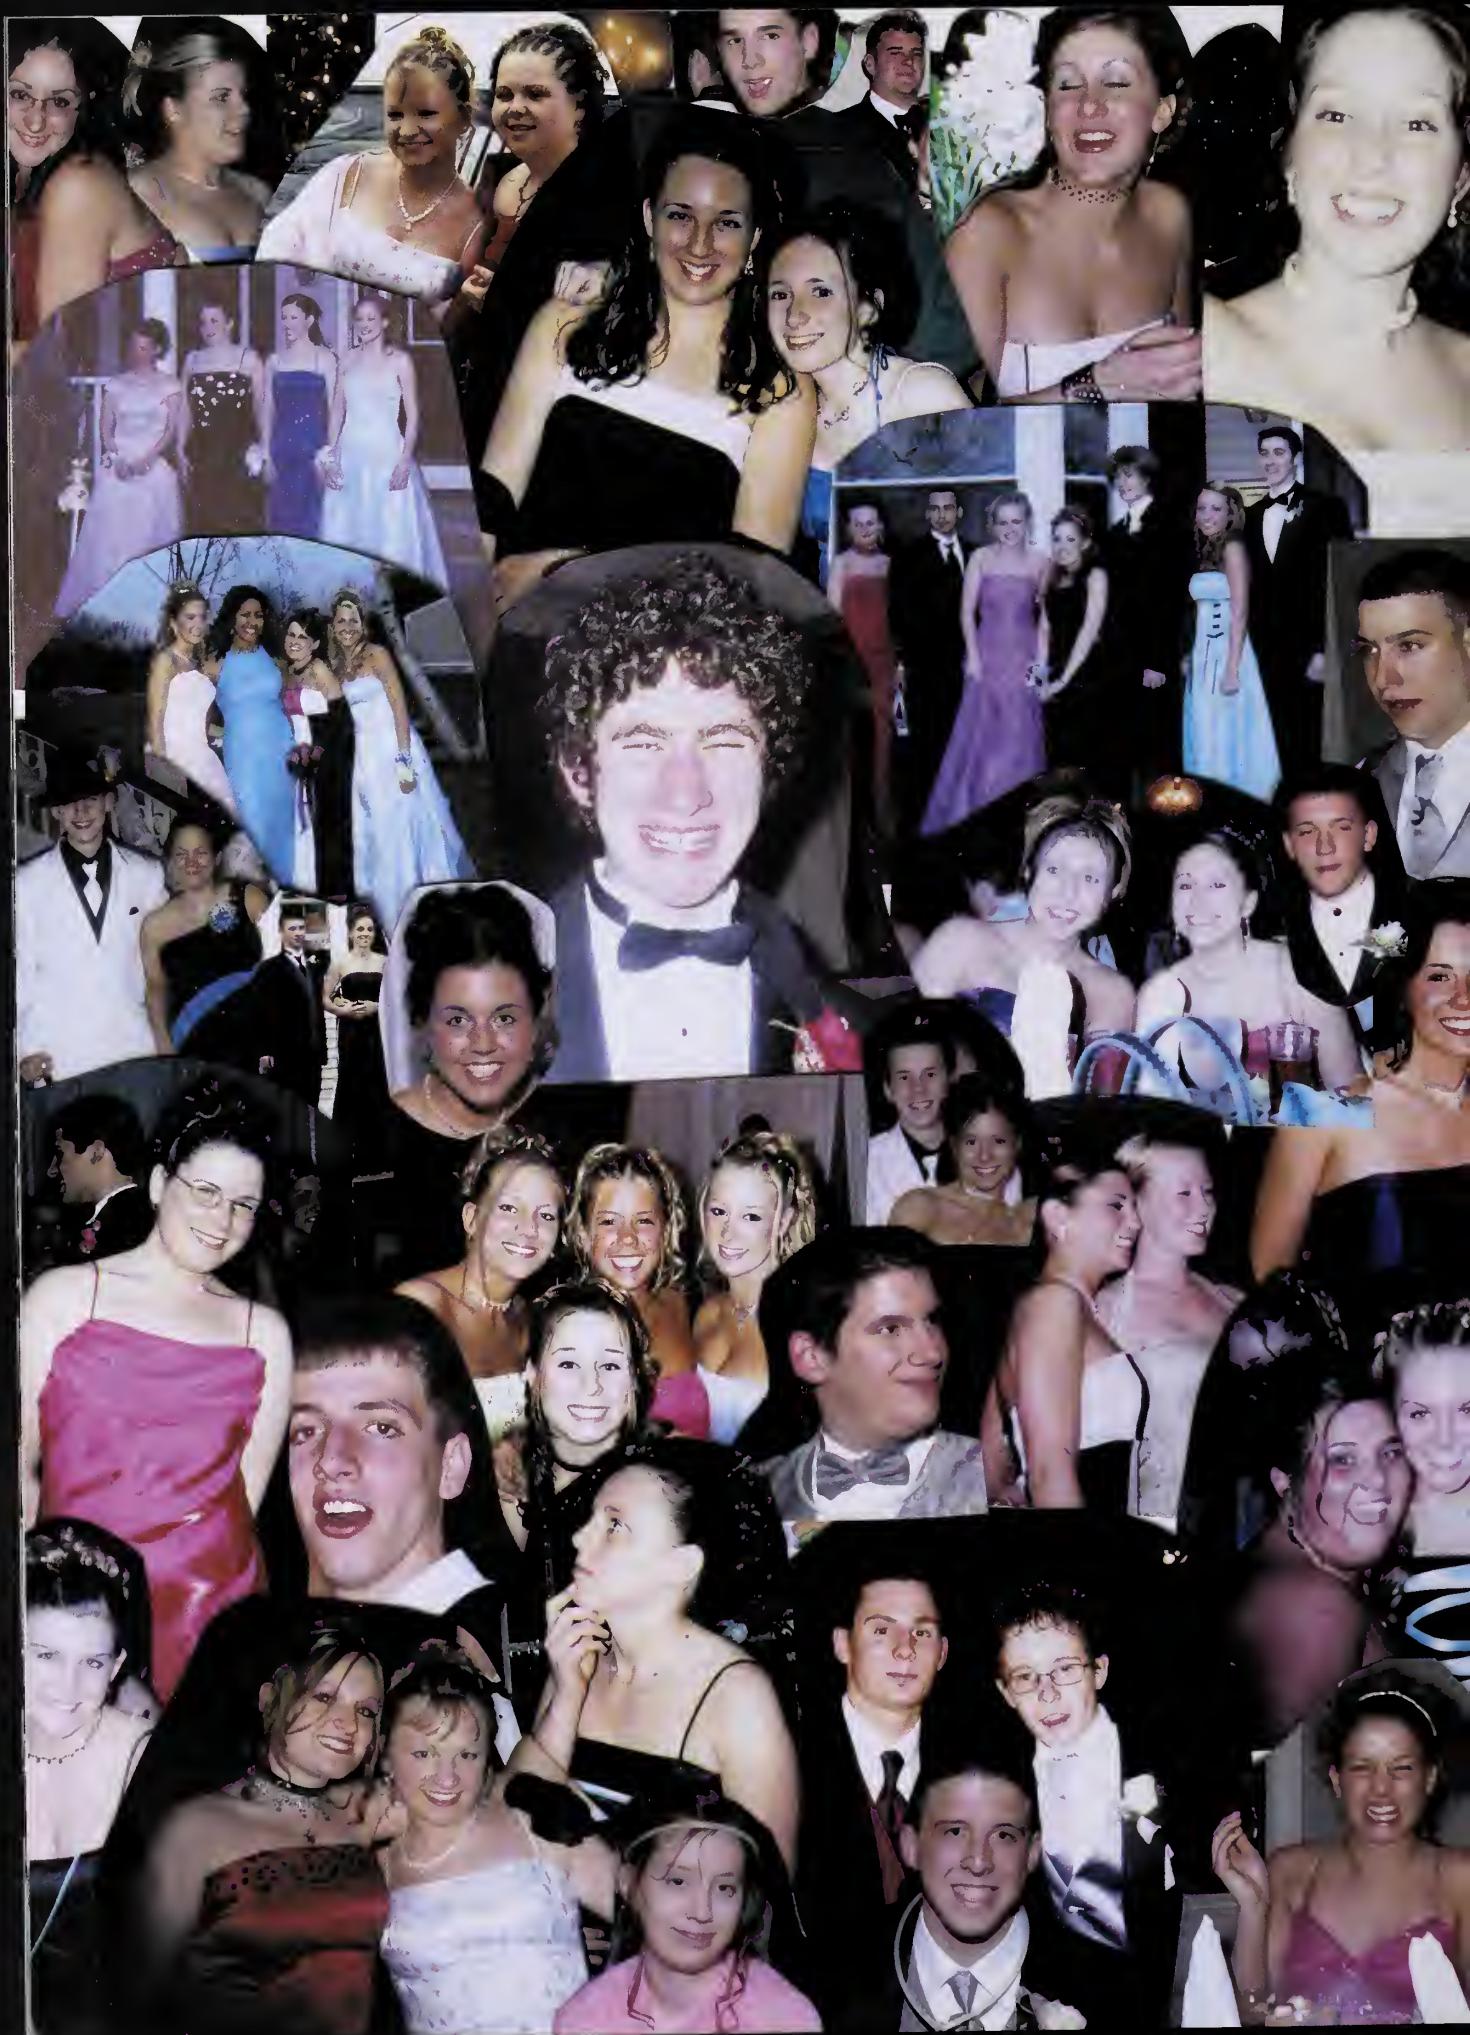

As graduation approaches, it is hard to believe how quickly the time has passed. We entered Enrico Fermi High School as awkward, young freshman, excited yet unsure of what to expect. Now as we leave, we may be a bit older and wiser but the excitement of what lies ahead and the uncertainties are still there.

These four years of high school have prepared us to go into the world to face new challenges. We must take what we have learned here at Fermi and apply it to achieving our own personal goals and aspirations. We live in changing times, and our lives grow increasingly complicated with each new option and responsibility we face. However, we must not be afraid of what lies ahead, but rather look forward to the future with enthusiastic optimism. This is our time to follow our own path to success, to broaden our horizons with new experiences, and share what we have learned with the world.

As our senior year comes to an end, we look back on the good times and memories that we have shared with each other and as a class. We must cherish the friendships and experiences we have had throughout our school days and look forward to the new ones we will have as we enter the next chapter of our lives. When we look back upon our years at Fermi we will realize our lives have been greatly influenced by the time we have spent here.

It has been an honor representing the Class of 2005. May each and every one of us strive to reach our own personal goals, fulfill our lives with happiness and success, and always keep the memories and friendships we have shared at Enrico Fermi High School in a special place in our hearts.

Mr. Paul K. Newton

To The Class of 2005:

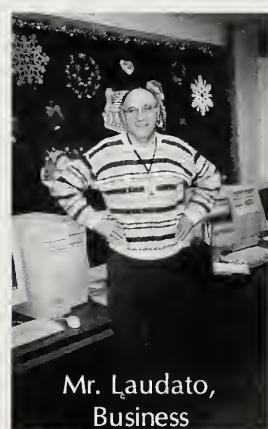

My friends, it seems like only yesterday that we were welcoming you to Enrico Fermi High School. I cannot believe that it is now time to say good-bye. I can still remember meeting you as a class during the first week of school four years ago. As I looked around the auditorium I saw such a wide scope of expressions on your faces. Some of you looked absolutely terrified, some were all smiles, others sat with serious and "all business" looks on your faces, and yes, some of you looked as if being anywhere else was better than being in the Enrico Fermi Auditorium. I admit that I was nervous to meet you. I wanted to be able to get to know each of you and I remember asking you to allow the adults at Fermi to develop a relationship with you over the next four years. I am so thankful that most of you have taken advantage of that invitation. I know that I have enjoyed the relationships that I have developed and I have enjoyed getting to know you, the Class of 2005. I know that our staff is richer as well, because of the relationships that you have allowed them to create with you. You, as a class, have made significant contributions to the positive climate and culture of our school. You have thrilled us with your performances in academics, theatre, arts, and sports. You have done much to make us proud. Your collective contributions are now your legacy. It is what defines the Class of 2005 as a group. It is a legacy full of pride, spirit, and accomplishment. It is a legacy that we all will remember for years to come.

Now that it is time for you to leave us, we hope that you will always reflect upon your four years here, your legacy, with a sense of pride. It is my sincere hope that the collection of educational and social experiences what you have had will serve you well in your life after Fermi. Most importantly, remember that you will always be part of our Enrico Fermi High School family and you will always have a welcome spot both in our halls and our hearts. I wish the very best to each and every one of you.

# Homecoming 2004

Even though there was no bon fire this year, it did not stop the fun on Homecoming weekend. On Friday October 15th, we had what became known as "The Bon" in the gym where students heard a variety of music played by Fermi performers. Kiss 95.7 was also there to DJ and join in on the excitement.

The next day started off bright and early, where each class raced to finish their floats on time for the long awaited parade. Leading the way were the powerful tunes of the Enrico Fermi marching band, followed by the enthusiastic cheerleaders, teachers and students. The four individual classes took over the streets with their rowdy cheers and carefully constructed floats. The parade ended with elegance as the homecoming court waved to the fans on the street. The court was lead by King and Queen Ross Dumont and Jessica Begnoche, followed by Junior Prince and Princess Tyler Garrity and Amanda Woodmancy, Sophomore Prince and Princess Neil Bruton and Ashley Bousquet, and Freshman Price and Princess Kyle Sandman and Mandy Luke. The parade proceeded to the football field where at halftime the float winners were revealed. The seniors came in first followed by the freshman, juniors then the sophomores.

The weekend ended with a semi-formal dance, where everyone had a great time. This year's Homecoming only proves Fermi can turn bad weather into a great time!

This year we had an awesome season! Mr. Lessard returned for one last year of coaching and we had a new assistant coach, Miss Pelkey, help out the team. All the girls had an awesome time and some great goals were accomplished. Everyone worked hard at practices and had great spirit at the meets. We had five girls make it to states and many more finished at the top of their events at CCC East Championships. Good luck to all the swimmers next year... and remember safety first!

The Field Hockey team had a very successful season, finishing with a record of 7-7-1-1. One of the major highlights of the season was qualifying for the state tournament after a one year hiatus. Although we lost to the eventual state champions, earning the opportunity to play in States reflected all of our hard work, dedication and talent it took to get us there. The seniors want to wish you all the best of luck in the future and will greatly miss you next year!

In 2004 the Fermi football team did some great things. We didn't have the most wins, but as people we all grew. Thanks to a great team of new coaches, many teenagers were transformed into young men. The group of guys that played football this year bonded on and off the field and became a family. Our season was highlighted by our games against East Hartford, which we tied, and the game on Thanksgiving Day. By beating Enfield, we were able to send the seniors out on an extremely high note. Next year the team will work hard and train hard in the off-season to continue on the same page that we ended the year. Keep the cup where it belongs gentlemen.

In the 2004-2005 season, Fermi Hockey continued to dominate. We qualified for the state tournament in the eleventh game by getting our tenth win. In our conference we went a perfect 5-0 to win the CCC East. Throughout the entire season the team was ranked in the top ten in the state. The team has become so successful due in large part to the great fan support. Week in and week out we have a very supportive crowd that has helped us to accomplish all that we have. Next year the team will have some rebuilding to do, but we know that there are plenty of under-classmen to fill the shoes of the graduating seniors.

reach tourney semifinals

## Class L

**FERMI 2, WETHERSFIELD 0.** In the second meeting of the season between the two teams, No. 18 Fermi went on the road and came away with the season sweep at No. 15 Wethersfield.

Fermi travels to undefeated Waterford, the second seed in Class L, on Thursday.

Tanya Breton and Megan Grigely scored 2:30 apart in the first half to secure the win for Fermi, which downed Wethersfield 5-1 in the season opener.

"We played them at our place to open the season, but this time we had to adjust to the turf at their place. The turf pretty much neutralizes any advantage for anyone," Fermi coach Bob Evans said. "They got better as the year went on too, so we knew it was going to be a good game."

Fermi outshot Wethersfield 21-9. FERMI 2 0 — 2 WETHERSFIELD 0 0 — 0

Goals: F — Tanya Breton, Megan Grigely. Goalkeepers: F — Becky Alaimo (7 saves); W — Laura Harvey (17 saves).

## Soccer tournament upset

Fermi girls, ranked 18th, oust No. 2 Waterford / 53

## Class L

**Fermi-Enfield 3, Waterford 2 (OT, 3-1 PKs):** Tanya Breton and Courtney Price scored in the first half and also converted penalty kicks as No. 18 Fermi (10-7-1) upset host No. 2 Waterford (16-1).

Carissa Gildea also scored a penalty kick for Enfield. Katie Schoepfer scored two goals and a penalty kick for Waterford. Michele Peloquin made nine saves for Fermi, including two penalty kicks.

## Girls Soccer — Class L

**Hand-Madison 4, Fermi-Enfield 2:** Courtney Elsen and Brittany Jackson scored in the first 13:28 of the second half to give No. 3 Hand (19-2) a three-goal lead and the Tigers held on to beat No. 18 Fermi (11-8-1) at Rocky Hill. Tanya Breton scored twice for Fermi.

## Fermi keeps dream alive

By Journal Inquirer Staff

**NORTH HAVEN —** There always seems to be a Cinderella story when tournament time comes around.

This year, the glass slipper is a perfect fit for the Fermi High girls soccer team.

The Cinderella label stuck after the 18th-seeded Falcons used penalty kicks to hand No. 2 Waterford its first loss on Thursday.

The Falcons' dream run continued on Monday when they outran No. 10 North Haven, 3-1, in the Class L quarterfinals.

"There's a lot of momentum, and it's the hard games that we had in the beginning of the season. All the experience from those games and the games in our league are helping us at this point in the season," Fermi coach Bob Evans said. "The girls are playing some great team soccer. There isn't any one of them that is trying to be the star of this run."

All of the scoring came in the first half. Tanya Breton and Carissa Gildea gave Fermi an early 2-0 lead, but Meghan Savoia cut the deficit in half with 2:56 left.

But 56 seconds later, Devin Mulcunry restored the two-goal cushion and secured Fermi's place in the semifinals for the first time since 1999. It will face third-seeded Daniel Hand on Thursday at Rocky Hill at 6 p.m.

It won't be easy to keep the dream run going, though. Hand has lost only once this season and has outscored opponents 70-8, including 8-1 in two tournament games.

But that doesn't mean the Falcons won't be ready to keep the dream alive.

"It's been a very long time that a Fermi team has gone into the semifinals," Evans said. "The girls are looking at creating some history of their own."

Becky Alaimo stopped 12 shots for Fermi. Courtney Price, Justine Lombardi, and Megan Grigely also played well.

FERMI 3 0 — 3  
NORTH HAVEN 1 0 — 1

Goals: F — Tanya Breton, Carissa Gildea, Devin Mulcunry; NH — Meghan Savoia.

Goalkeepers: F — Becky Alaimo (12 saves); NH — Bridget Allison (12 saves).

## Fermi pulls off major upset

18th-seeded Falcons use penalty kicks to sneak past No. 2 Waterford

By Journal Inquirer Staff

WATERFORD — To win a tournament, old wisdom says a team must peak at the right time.

### GIRLS

### SOCER

That said, the Fermi High girls soccer team must be a pretty smart bunch. The Falcons saved their best soccer for the Class L tournament.

Fermi, ranked 18th, got a pair of penalty-kick saves from Michelle Peloquin and eliminated second-seeded Waterford 3-2 in PK's.

"It was a major upset," Fermi coach Bob Evans said. "Waterford was undefeated but we have some good momentum going."

Tanya Breton, Courtney Price, and Carissa Gildea scored on the Falcons' three PK chances.

After allowing one goal, Peloquin (nine saves) made two PK saves. When Waterford's fourth chance went high, Fermi earned a quarterfinal match with North Haven on Saturday at 2 p.m.

"We showed how strong a team we are," Evans said. "Everyone was picking each other up."

"Michelle's saves were incredible. She timed them just right, made the dive, and pushed the ball away."

Devin Mulcuny and Justin Lombardi played well for Fermi (10-7-1). Breton and Price scored first-half goals.

For Waterford (16-1), Katie Schoepher scored twice. Nicole Hendry made 11 saves.

FERMI 2 0 0 0 1 — 3  
WATERFORD 2 0 0 0 0 0 — 2

Goals: F — Tanya Breton, Courtney Price, W — Katie Schoepher (2).

Goalkeepers: F — Michelle Peloquin (9 saves); W — Nicole Hendry (11 saves).

Another highlight to the girls' season was snapping South Windsor's 29-game unbeaten streak in CCC East play. The only goal of the game was scored by Tanya Breton. Our win gave the South Windsor girls their first two-game losing streak since 1999.

Their magnificent season ended with a loss in the final four of the conference to Daniel Hand. While they were defeated 4-2, the girls were able to make a statement - they were the only team able to score two goals in a game against Hand all season.

Thanks to all of the students, faculty and administration who came out and supported the girls during their amazing tournament run!

For the first time since 1999, the girls soccer team reached the state tournament semifinals.

# The 2005 Fermi Talent Show 5th Year Anniversary Special

This year's talent show was a huge success. Hosts Anthony Caronna, Michelle Arslan, and Sarah Manzone, along with our cast performed to a packed crowd on January 28th and 29th.

Thanks to the effort of so many people the talent show proved again to be the largest fundraiser of the senior class. We would like to thank the faculty volunteers, the technical crew, and the custodial staff for all of their support.

We'd like to give a special thanks to Mr. Dube, our faculty director and advisor for all of his hard work- without his dedication none of this would be possible!

*in* WISHING *you*  
CONGRAZIELATIONS!

And the best way we know how to do that is to invite you over to celebrate. It doesn't matter to us whether you're raising a glass of wine or Italian soda, we know that The Olive Garden's the right place to do it. That's because we've enjoyed it all,

from the whole crowd stopping by to dig into our world-famous lasagna while celebrating dad's birthday, to a romantic couple choosing to celebrate their anniversary over a glass of our special Vino Reserva imported all the way from Italy. All we want is to make sure your special times are exactly that.

We are so proud of you and know you will be very successful wherever you go, whatever you do. We love you very much!

Love, Mom, Dad, Alex & Kyle

Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails.
